

Panel discussions are a great way to engage the audience by exploring the day-to-day careers and experiences of practicing pharmacists within their communities. Use the below questions to help you develop a health-system pharmacist panel for your visit.

QUESTIONS

1. What is your proudest moment as a pharmacist or care-provider?
2. What do you wish that your younger self had known about the pharmacy profession?
3. What is unique about your career in pharmacy?
4. How do you foresee the pharmacy profession changing in the next 10 years?
5. What is the best piece of advice you received early in your career?
6. What advice would you give to high-school and undergraduate students considering pharmacy as a profession?
7. What is something you wish the public knew about pharmacists, or the role of pharmacists in healthcare?
8. What does a typical workday look like for you?
9. Why did you choose your current area of practice (outpatient, inpatient, ambulatory care, etc.)?
10. What post-graduate training have you completed?
11. What training materials or experiences have been most helpful to you in developing your skills and abilities?
12. What did your training and education pathway look like to get to your position today?
13. What is the most satisfying aspect of your position?
