P1

Make ASHP your professional home!

As you settle into pharmacy school, ASHP helps you connect with pharmacy leaders, grow your professional network, access career development resources, learn about residencies, and more.

UNDERSTAND what a residency is and why you should consider residency.

Learn how to become a standout residency candidate.

Begin Introductory Pharmacy Practice Experiences (IPPEs) P1-P3 years.

EXPLORE career opportunities in health-system pharmacy.

ACCESS exclusive professional development tools and resources.

ASHP membership supports your growth and helps position you as a future PHARMACY LEADER.

“As a first-year student pharmacist, I was overwhelmed by the number of professional pharmacy organizations and wasn't sure which ones were right for me. I really appreciated my complimentary ASHP P1 membership. It took the pressure off and made the choice easier.”

Khushali Sarnot, PharmD
PGY1/2 Health-System Administration and Leadership (HSPAL)/MS Resident
Northwestern Memorial Hospital

“My ASHP membership has prepared me to become a future pharmacy leader. As an ASHP member, I have a national platform to contribute my ideas, perspectives, and insights as well as the opportunity to connect with peers and mentors who share my passion for and commitment to advancing the pharmacy profession. I am grateful for the invaluable experiences and relationships I have formed – and continue to form – along the way.”

Sarika Satishkumar
PharmD Candidate, Class of 2026
Northeastern University School of Pharmacy and Pharmaceutical Sciences

EXPLORE ASHP Official Podcasts to find valuable insights on becoming a competitive residency candidate, exploring emerging pharmacy careers, and more.

Become a more competitive residency candidate with ASHP's Student Residency Resource Center.

“I am beyond grateful for the many meaningful experiences I have had as an ASHP member. My membership has helped me grow my leadership, advocacy, and clinical skills as well as build a robust network of other dedicated and innovative student pharmacists and pharmacy leaders nationwide.”

Kaylee Meador
PharmD Candidate, Class of 2025
University of Kentucky College of Pharmacy

Your third-year is here. This is an exciting time as your vision for life after pharmacy school begins to take shape. ASHP is here to help you develop your professional identity and enhance your skillset as you venture onto the healthcare team.

“Being involved with ASHP was a highlight of my pharmacy school journey and showed me that your reach can go very far, even as a student pharmacist. Serving on the Pharmacy Student Forum Executive Committee taught me many valuable lessons and leadership skills that I will carry with me throughout my pharmacy career.”

Austen Werab, PharmD
PGY1 Resident
Children's Hospital Los Angeles

What do You Need to Know about Health-System Pharmacy?

Health-system pharmacists work in care teams of medical professionals including physicians, nurses, and other providers. They make recommendations about medications, drive patient care decisions, and follow patient health outcomes over time.

ASHP is your guide to exploring careers in critical care, ambulatory care, pediatrics, oncology and many other areas of health-system practice.

THE ASHP GUIDED MENTORSHIP PROGRAM

connects student pharmacists with practitioner mentors.
