### Accreditation for Pharmacists

---

The American Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

### Target Audience

---

This activity was planned to meet the educational needs of pharmacists and leaders considering a foray into home infusion.

### Activity Overview

---

This webinar is a continuation of ASHP's support of evaluating and identifying opportunities for health system pharmacists and pharmacy to engage in the emerging hospital at home care models. Our speaker(s) will describe models where pharmacy clinical services are being incorporated into hospital at home care as well as the organizational structure necessary to manage and provide oversight for the medications being provided to the patients in their home. Interaction and audience participation is encouraged.

### Learning Objectives

---

- Describe the hospital at home care models from the CMS initiative.
- Identify opportunities for pharmacists to engage in clinical care for hospital at home patients.
- Describe challenges and solutions for medication distribution and oversight for hospital at home models.

## Activity Announcement

### Faculty Disclosures

---

In accordance with the ACPE's and ACCME's Standards for Commercial Support, anyone in a position to control the content of an educational activity is required to disclose to the accredited provider their relevant financial relationships. In accordance with these Standards, all potential conflicts of interest have been resolved. *An individual has a **relevant financial relationship** if he or she (or spouse/domestic partner) has a financial relationship in any amount occurring in the last 12 months with a commercial interest whose products or services are discussed in the activity content over which the individual has control.*

As defined by ACCME, a **commercial interest** is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The Standards for Commercial Support do not consider providers of clinical service directly to patients to be commercial interests. The existence or non-existence of relevant financial relationships will be disclosed to the activity audience. All identified conflicts of interest must be resolved prior to the activity.

- **All planners, presenters, reviewers, and ASHP staff report no financial relationships relevant to this activity.**

### Methods and CE Requirements

---

This Live Webinar activity consists of faculty slides presentations, active learning activities, discussion, and handouts. Participants must attend the activity in its entirety to get the Attendance code to claim continuing pharmacy education credit online at ASHP eLearning Portal. Follow the prompts online to complete the evaluation, claim credit and view the statement of credit immediately after the activity but no later than **November 8, 2021**.

Per ACPE requirements, CPE credit must be claimed within 60 days of being earned. To be sure your CE is accepted inside of ACPE's 60 day window; plan to process your CE before **November 8, 2021**! Claim your CE at <http://elearning.ashp.org>. Once you have processed and claimed your CE credit, we encourage you to check your NABP eProfile account to verify your credits were transferred successfully before the ACPE 60-day deadline. It is an electronic direct-report process so your credits should appear in your account within a few minutes. After the 60 day deadline, ASHP will no longer be able to report your credit(s) for this activity.

### System Technical Requirements
